

**Yes, I would like to support Bold for the Cure!**

With your gift, **Bold for the Cure** can continue to change the care of breast cancer patients while supporting efforts to advance the science of prevention, early detection and more effective therapy.

In 2012 **BFC** awarded over \$13,000 raised at Ann Arbor events to the **Mid-Michigan Affiliate of Susan G. Komen for the Cure**. Excluding cancers of the skin, breast cancer is the most common cancer among women and accounts for nearly 1 in 4 cancers diagnosed in U.S. women, according to the American Cancer Society. By partnering with **Susan G. Komen, Bold for the Cure** has touched patients and families in the region through grants that support free mammograms and breast screening to low-income, uninsured or under insured women aged 40-64, and address psychological, social and spiritual needs of breast cancer survivors with an emphasis on low income, under served women.
